RRDT CAFE

OPEN DURING CLASSES

The cafe is open during class times. Students can purchase drinks or snacks during class breaks or at the end of class. We encourage parents to visit the front desk to add money to students' accounts for the cafe, instead of sending students with money.

RRDT BOUTIQUE

MERCHANDISE ORDER FORM

We strongly encourage a professional dress code for our students with proper attire. It is essential for students to have the correct attire and shoes to be successful in class. Please refer to your student's class page on our website to find a list of the attire required for each class. The required class attire can be purchased on your own, or you can place an order to purchase items through the RRDT studio by completing and submitting this Merchandise Order Form. If purchasing directly from the studio, please place your order by completing the form. We will work to complete your order and have items ready to pick up from the studio. This will allow your student to have all items needed to be successful in their class.
